

“The City of New Iberia provides a convenient yard waste and recycling program which continues to be supported by our residents. This brochure contains important information concerning what will and will not be collected or recycled. Please save it for future reference. I appreciate your efforts to make our City the finest. Thank you for participating and recycling for the good of New Iberia.”

A message from Mayor Fontenot

GARBAGE & FURNITURE INFORMATION

Put your garbage can out the night before your collection day (collection starts at 5:00 am). Containers should be placed as close to the roadway as possible, without interfering with the movement of vehicles or pedestrians.

Container information: NOT larger than 35 gallons, (NO 55 gallon drums) and NOT to weigh more than 35 lbs. NO in-ground containers will be serviced.

Household furniture will be collected. Do not place garbage, yard waste or other debris on furniture.

We are NOT able to collect the following items: Hazardous materials, car batteries, liquids, or paint cans (unless lids are removed and all paint is dried).

Holidays to be observed: 4th of July, Labor Day, Thanksgiving, Christmas and New Years Day. After a holiday, every home will be collected the day after their normal collection day. For example, no services will be provided on Thanksgiving Day; the Thursday routes will be picked up on Friday and the Friday routes will be collected on Saturday.

Your garbage, furniture and recycling will all be picked up on your regular collection day. If you have any questions, BFI can help. Please call 367-2194.

YARD WASTE & LIGHT CONSTRUCTION DEBRIS

These items will be picked up the day after your garbage is collected. If Friday is your garbage day, yard waste and construction debris will be picked up on Monday. Please call Gordon's at 365-9034 with questions.

Materials should be placed parallel to the street, at curbside.

Do not place debris on a concrete surface or within 5 feet of telephone poles or trees. Do not put items on empty lots.

Do not mix yard waste or construction debris with garbage.

Household appliances and regular size car tires (no truck tires) will be collected. Large or frequent amounts may be rejected.

Any work you contract for construction, remodeling, tree removal, lot clearing, etc., is not covered under city contracts. Your contractor must provide proper disposal of all materials. The debris from the demolition of a home will not be collected.

YARD WASTE GUIDELINES

Branches, tree limbs, trunks, shrubs, etc. will be collected. Do not bundle. Leaves and grass clippings must be contained in plastic bags or garbage cans weighing less than 35 pounds (no 55 gal. drums or cardboard boxes).

Mulch is available to the citizens of New Iberia on the first Saturday of the month from 7:00 am until 3:00 pm at 614 Coteau Road (Hwy. 88 - Gordon's Construction and Landfill).

LIGHT CONSTRUCTION DEBRIS GUIDELINES

Sheet rock, shingles, 2x4s, concrete, brick, vinyl siding, flooring, carpeting, celetex, plywood and windows are examples of the materials which will be collected. These items may be piled at the curb. Do not mix with yard waste or garbage. Containerize anything less than 2 feet long. Creosote, asbestos and batteries will not be collected.
